

“Talk about a celebrity concierge, Sara blew me away. She is the elite — someone who has traveled to over 100 countries. When she got off the stage everyone was so intrigued. The audience could hardly wait to talk to her and ask her questions. That is how much knowledge she has about travel; not just about the world itself, but how to actually take your life and turn it into a life of passion and adventure through the world of travel. I felt like I was living her story through her presentation. What an inspiration! Sara is motivational and inspiring. I love Sara Raney, and I’m looking forward to going to her next two-day workshop.
