Motivational Speaker

After becoming a widow, a recurring dream prompted Sara Raney to embark on a journey that led her all the way to Antarctica. While healing her broken heart, she explored over 100 countries and all seven continents and poured all of her energy into learning about the different people, cultures, and traditions that shape our earth. Reinvigorated, she spent countless hours studying and earning certifications to become a travel professional. She now inspires others who yearn to live their life to the fullest.

Audiences enjoy listening to Sara's humorous stories and anecdotes about traveling in the footsteps of Agatha Christie on the Orient Express, being entertained by the Throat Singers in Kazakhstan while trekking across East Asia on the Trans-Siberian Railroad, and walking with penguins in Antarctica. Most importantly, they learn how to listen to their inner voice to overcome loneliness, get unstuck, keep their mindset in check, and become unstoppable!

Sara's message is simple, yet powerful:

"It's never too late to reinvent yourself and follow your dreams!"
